Review report on the interim condensed consolidated financial statements
(Translation from the original Italian text)

To the Shareholders of
Zignago Vetro S.p.A.

Introduction

We have reviewed the accompanying half-yearly condensed consolidated financial statements of Zignago Vetro S.p.A. and subsidiaries (Zignago Vetro Group), which comprise the consolidated statement of financial position as of June 30, 2026, the income statement, statement of comprehensive income, statement of cash flow and statement of changes in equity for the six month period then ended, and the related notes to the financial statements. The Directors are responsible for the preparation of the half-yearly condensed consolidated financial statements in accordance with the International Accounting Standard applicable to the interim financial reporting (IAS 34) as issued by the International Accounting Standards Board and adopted by the European Union. Our responsibility is to express a conclusion on the half-yearly condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the criteria recommended by the Italian Regulatory Commission for Companies and the Stock Exchange ("Consob") for the review of the half-yearly financial statements under Resolution n° 10867 of July 31, 1997. A review of half-yearly condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing (ISA Italia) and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying half-yearly condensed consolidated financial statements of Zignago Vetro Group as of 30 June, 2026 are not prepared, in all material respects, in accordance with the International Accounting Standard applicable to the interim financial reporting (IAS 34) as issued by the International Accounting Standards Board and adopted by the European Union.
